

Mayank Sahu

Graphic Designer, DevOps, Entrepreneur

With a solid foundation in graphic design, a flair for entrepreneurship, and proficiency as a self-taught DevOps engineer, I bring a dynamic blend of creativity, technical acumen, and business acuity. As an experienced freelance designer, I've honed my skills in web design, illustrator and video editing. while actively cultivating my expertise in Open Source Creative tools. Simultaneously, my venture into DevOps projects showcases my adeptness in utilizing cutting-edge technologies to manage VPS, Cloud Platforms.

As an entrepreneur, I co-founded and steered two successful ventures, an Ayurvedic products manufacturing unit and an import-export firm dealing in specialty goods. This multifaceted background reflects my dedication to innovation, strategic planning, and the pursuit of excellence.
